To whom it may concern,

My name is Hendel Duplessy from Canada, general manager "chef de village" in Club Med resorts around the world for the last 21 years.

I have known Tal Taubenfeld in Club Med resort in Brazil, "Itaparica" as a circus manager "chef de cirque" of the resort and I worked with him for 6 months as his general manager.

Tal is a very loyal person that runs things to be done, always in high quality. He made one indoor circus show and one outdoor flying trapeze show every week with his participation. He taught his team and knew how to make his staff grow up and improve every day. He's always training new people to be part of his team and himself training and performing a big variety of aerial acts. I know him also as a very talented flyer and high skilled catcher for his team.

Tal is highly respected as a manager by the people who work under his supervision, he is organized, thorough in his training program, and he's always on time to give safety reports and prepare and collect the students to be a part of his shows.

Tal has done an excellent job and I would highly recommend him for any endeavor he chooses to pursue in your organization. He will be a great asset to any establishment, in any field!

In regards,
