To Whom It May Concern:

I am writing with regards to Tal Taubenfeld and Maureen Lortie (The Circus Monkeys). My name is Mark Coden and I am the director of a private residential summer camp located in Northern Michigan. I had the pleasure of employing Tal and Maureen for our 2018 camp season.

Together, Tal & Maureen are a top-notch team of aerial artists that not only perform and show off their own skills, but also were able to teach and manage a program that handled hundreds of participants. From set-up to takedown, Tal as team chief oversaw all the maintenance, safety standards, records and lesson plans for the program. Maureen, a very capable aerial artist in her own right, provided invaluable support on the ground, on the platform and in the catch trap. Her energy is infectious.

I am fortunate to be able offer the flying trapeze as an activity at Camp Tanuga. I can't say enough positive things about Tal & Mo. The skills taught, the self-esteem being built, and the energy shared can't be measured in words. The children and staff at camp can't get enough of the trapeze. None of it would be possible without the great facilitators we have in place.

Sincerely,

Mark Coden
Director
