

To Whom it May Concern:

Maureen Lortie was under my supervision while she was working for Club Med at Ixtapa Pacific. Her responsibilities while working on my team were to teach basic and advanced circus skills, to all ages, including but not limited to: Flying Trapeze, Lyra, Single Trapeze, Double Trapeze, Spanish Web and Trampoline.

Maureen was an excellent instructor, as well as performer, and one of her strongest skills is her ability to connect and interact with all kinds of clientele. The enthusiasm and dedication to her job is never in doubt and always prominent.

I would highly recommend Maureen for employment, she would make an excellent addition to your team.

Sincerely,

Patrick Sullivan
Circus Supervisor
