Dear Sir/Madam

I'am writing to you with regards to Maureen Lortie. She has worked for Steiner Transocean Ltd in the Spa Department on board the well known Royal Caribbean International Cruise Line.

Steiner Transocean Ltd is the most well know company responsible for placing beauty therapists, massage therapist, fitness personal trainers, hair stylist and nail technicians on board Spas on over 120 Cruise Ships World wide. Through her contract with Steiner she has specialized as a Fitness Instructor on board.

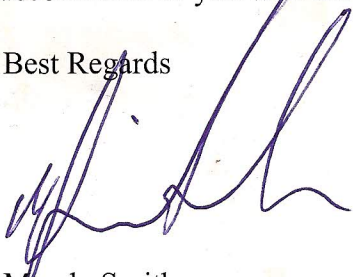

She is also able to work under pressure and having to achieve cruise targets through both service and retail, Only giving her clients the best information and homecare they need.

At all times Maureen is extremely well presented and takes pride in her appearance, as she does take care of her clients and high quality treatments given to her guest. Maureen receives many good comments and re bookings, which only reflects her professionalism and her rapport she builds with her guest.

Working for Steiner has also lead Maureen to experience working with many different nationalities and to travel to various parts of the World enabling her to gain much more knowledge and experience.

Personally I do believe she is a delight to be around, always very positive, enthusiastic and full of energy, always with a drive to succeed and will do well in everything she does. I can honestly recommend to you with full confidence that Maureen will benefit your company.
